WAREROOMS:

350 West Baltimore St., near Eutaw,

BALTIMORE.

These instruments have been before the public for nearly Thirty Years, and upon their excellence alone attained AN UNPURCHASED PRE-EMINENCE, which pronounces them unequalled. Their TONE combines great power, sweetness, and fine singing quality, as well as great purity of intonation, and evenness throughout the entire scale. Their TOUCH is pliant and elastic, and entirely free from the stiffness found in so many Pianos. In WORKMANSHIP they are unexcelled, using none but the very best SEASONED MATERIAL, the large capital employed in our business enabling us to keep continually an immense stock of lumber, etc., on hand.

☞ All our SQUARE PIANOS have our New Improved Overstrung scale and the AGRAFFE TREBLE.

We would call special attention to our late improvements in

Grand Pianos and Square Grands,

Patented August 14, 1866,

Which bring the Piano nearer perfection than has yet been attained.

EVERY PIANO FULLY WARRANTED for FIVE YEARS.

French
UPRIGHT
Pianos,

921 and 923 Broadway, cor. 21st St., New-York,

Would respectfully call the attention of the public to their NEW-SCALE OVERSTRUNG IRON FRAME PIANOS, which for power and sweetness of tone, elasticity of touch, beauty of finish, and, in short, everything that renders a Piano perfect, are unsurpassed. They are manufactured of the best material, and by the most experienced mechanics, under our own supervision. Mr. Lynch being a practical piano-maker of twenty-five years' experience, and Mr. Gomiien, a well-known pianist and organist, possess qualities for manufacturing which it is almost impossible to find combined in any other establishment. They can refer to hundreds of families having their Pianos in use, from a large number of whom they have received the most flattering testimonials. We select the following:

ACADEMY OF MOUNT ST. VINCENT, NEAR YONKERS, July 19, 1867.

Messrs. LYNCH & GOMIEN:

ESTEEMED SIR: Your Pianos are in use here and in several of our Academies, and we can bear testimony to their excellent workmanship and great durability. No purchasers will feel disappointed in their selection of your Pianos, we are quite sure.

Respectfully, etc.,

SISTERS OF CHARITY.

From the *Courrier des Etats Unis*, July 4th, 1867, the best musical critic in New-York: "The Piano used on this occasion (a concert) was one of the excellent instruments of LYNCH & GOMIEN's manufacture. For brilliancy, mellowness, and equality of tone, these Pianos stand equal if not superior to those of any other manufacture."

"The fullest confidence may be placed on their representations."—*New-York Tablet*.

"Knowing them as we do, we can safely say that what they represent their Pianos to be may be relied on."—*N. Y. Freeman's Journal*.

Parlor, Portable Church Organs and Melodeons

always on hand. Orders received, and plans and specifications drawn up for Church Organs of any size. Mr. Gomiien has superintended the building of some of the largest and best organs in this city, to which he can refer.

PREFACE.

IT was the earnest desire of the publishers of the DIRECTORY to have complied with the very generally expressed wish of the Catholic public, and issue the work by December 1st. This they have, for a variety of reasons, been unable to do. The absence of many of the Prelates and Diocesan officials in Europe, attending the late Centenary Celebration in Rome, necessitated a delay in preparing many of the reports, which materially interfered with the arrangements of the publishers. Hence, they have been unable to publish the DIRECTORY sooner than January 1st. It will be found as correct and reliable as it is possible to make a work of the kind, and embraces full returns from every Diocese in the Union, with the exception of that of Oregon, which is reprinted from last year. In the British Provinces two reports are also reprints.

The publishers would again respectfully urge upon the officials of the various Dioceses a prompt compliance with the directions of their Annual Circular. Until this is done, it will not be possible to issue the DIRECTORY sooner than the 1st of January of each year—a delay annoying to the public, and a positive pecuniary loss to the publishers.

CHRONOLOGICAL CYCLES.

Dominical Letters,.....E, D	Solar Cycle,.....1
Epact,.....6	Indiction,.....11
Golden Number,.....7	Sundays after Pentecost,.....25

The calends were the first day of each month among the Romans, hence a calendar was a list of the months, beginning with their calends.

The real solar year contains 365 days, 5 hours, 48 minutes, 48 seconds. The common or civil year only 365 days. But for the neglect of these fractions Julius Cæsar ordered an additional day to be given to every fourth year, introducing it after February 24th, in Latin *sextilis*; hence these years are called *Bissextile*, or, in English, *Leap Years*. The Julian Calendar did not completely rectify the error, and Pope Gregory XIII., in 1582, ordered the days from October 5th to 14th in that year to be suppressed, and the century years 1700, 1800, not to be regarded as leap years. This reform, called the *Gregorian Calendar*, Protestant countries refused for nearly two hundred years to accept; but, preferring darkness to light, retained the erroneous calendar. In New-York, where the Dutch used the correct calendar, the English, on capturing it, restored the erroneous form, and retained it for a hundred years.

The *Epact* expresses the moon's age on the first day of the year, and is used to determine Easter, which depends on the moon, being always the first Sunday after the first full moon after the vernal equinox, (March 21st.)

The *Golden Number* is the number of years that have elapsed since a new moon fell on January 1st. It is obtained by adding one to the date, and dividing by 19, the number of years in a cycle.

From eleven times the golden number subtract 10 and divide by 30, subtract one, and the remainder is the epact.

The epact subtracted from 24 gives the number of days from March 21st to the next ecclesiastical full moon, and the following Sunday, shown by the Dominical letter, is Easter Sunday.

By the reformation of the calendar by Pope Gregory XIII., the year began on the first day of January, and, consequently, whenever and wherever the NEW STYLE of reckoning time was adopted, then and there the year commenced on this day.

Previous to the use of the Gregorian Calendar, the years had different days of beginning at various times in the same and different countries, and occasionally at the same time in the same country. In most countries it began on one of the following days:

Christmas-day, the 25th of December;

Circumcision-day, the 1st of January;

Lady-day, the 25th of March; and

Easter-day, the day of the Resurrection of our Lord.

TO ASCERTAIN THE LENGTH OF THE DAY AND NIGHT.

At any time of the year add twelve hours to the time of the sun's setting, and from the sum subtract the time of rising, for the length of the day. Subtract the time of setting from twelve hours, and to the remainder add the time of rising next morning, for the length of the night. These rules are equally true for apparent time.

ECLIPSES FOR THE YEAR 1868.

There will be only two Eclipses this year, both of the Sun, and neither of them visible in the United States.

The Jewish year 5629, begins on September 30th, and will have 353 days.

Holydays of Obligation.

1. The Circumcision of our Lord—The Epiphany—The Annunciation of the B. V. Mary—The Ascension of our Lord—Corpus Christi—The Assumption of the B. V. Mary—All Saints—Nativity of our Lord, or Christmas.

N. B.—Sundays, and the feasts which fall on them, are not included in this enumeration.

(In some Western Dioceses the Circumcision, Epiphany, Annunciation, and Corpus Christi, are not holydays of obligation.)

Fasting Days.

Fridays in Advent. Every day in Lent, Sundays excepted. The Ember-Days (see below.) The Vigil of Whitsunday or Pentecost, of the Assumption, of All Saints, and of Christmas.

N.B.—1. When a feast falls on Monday, the vigil is kept on the Saturday preceding. To fast, consists in abstaining from flesh-meat, and eating but one full meal in the day, not before twelve o'clock M. Besides this, a collation, or about the one-fourth of a meal, is allowed in the evening.

All who have completed their twenty-first year are obliged to observe the fasts of the Church, unless exempted for some legitimate cause.

2. In some dioceses the Friday of the Ember-Days is the only Friday in Advent on which there is an obligation to fast.

3. It has been directed by the Sacred Congregation *de Propaganda Fide*, that the feast of SS. Peter and Paul be solemnly celebrated in the United States on the Sunday immediately after the 29th of June, and it is the wish of the Sacred Congregation that the Bishops exhort the faithful under their charge to keep fast on the Saturday preceding that solemn celebration.

Days of Abstinence.

All Fridays. When Christmas falls on a Friday, abstinence is not of precept. Abstinence on Saturday has been dispensed with, for the faithful of the United States, except when a fast falls on that day. Soldiers and sailors in the service of the United States, even in barracks, garrisons, etc., are dispensed by the indult of Pope Pius IX., from the rule of abstinence, except on six days in each year, namely, Ash Wednesday, Thursday, Friday, and Saturday in Holy Week, the Vigil of the Assumption, and Christmas Eve.

Ember-Days.

The Ember-Days are the Wednesdays, Fridays, and Saturdays, which occur, 1st, in winter, immediately after the third Sunday of Advent; 2d, in the spring, immediately after the first Sunday in Lent; 3d, in the summer, during Whitsun-Week; 4th, in the autumn, immediately after the 14th of September. They are days of fasting, and are of great antiquity in the Church. The object of their observance is, to consecrate to God the four seasons of the year, by penance; to obtain his blessing on the fruits of the earth, and to beg of him worthy ministers of the Church. The ordination of clergymen generally takes place, in Catholic countries, on Ember-Saturday.

INDULGENCES GRANTED TO THE FAITHFUL OF THE UNITED STATES.

On the 13th of August, 1792, his Holiness granted to all and each of the faithful of the Catholic communion, living in the ENTIRE* diocese of Baltimore, a plenary Indulgence to be gained by all who, having made a good confession and holy communion on the days mentioned below, shall visit the parish church, or any other; and if there be no church or chapel, shall devoutly recite five times *Our Father*, *Hail Mary*, and *Glory be to the Father*, and fervently pray for the propagation of the Catholic faith, and the exaltation of the Church.

These plenary Indulgences may be gained on the following days, *F. D.*

From the vigil of Christmas, until the day of Epiphany, inclusively.

From the first Sunday of Lent, to the second, inclusively.

From Passion Sunday to Maundy Thursday, inclusively.

From the Vespers of Holy Saturday to Low Sunday, inclusively.

* The Diocese of Baltimore then included all the States east of the Mississippi, except Florida.

From the first Vespers of Whit Sunday, until the last day of the Octave of Corpus Christi, inclusively.

On the feasts of the Purification, Annunciation, Assumption, Nativity, and Conception of the B. V. Mary, and during the whole Octaves of these feasts.

On the feast of the Apostles SS. Peter and Paul, and during the whole Octave of the same feast.

On the feast of St. Michael the Archangel, and during the whole Octave of the same feast.

On the feast of All-Saints, and during the whole Octave of the same.

By a decree of the Congregation of Indulgences, published January 28, 1842, in order that the faithful may gain the indulgences published by the Holy See, it is necessary that they should be recognized by the Bishops, and promulgated by them in their respective dioceses.

DIRECTIONS FOR UNDERSTANDING THE ORDO.

The prayers and portions of the Holy Scriptures, of which the Mass is composed, are, in part, unalterably the same, and partly different every day. Those that are fixed and invariable are contained in what is called the *Ordinary of the Mass*, to be found at the beginning of the Missal. The parts that are changeable or proper—the Introits, Collects, Gradual, Tracts, Epistles, Gospel, Offertories, Secrets, Communion, and Post-communion—form the subsequent contents of the book. As the Prefaces are not so frequently subject to change, they follow each other in regular succession in the ordinary of the Mass.

If a double should fall on a Sunday, then the mass of the double is said instead of that of the Sunday, unless it be a privileged Sunday, such as the first Sunday of Advent, or Lent, Passion, Palm, Easter, Pentecost, and Trinity Sundays, which are never superseded; or a Sunday of the second class, which cannot be superseded, except by doubles of the first class, as the 2d, 3d, and 4th of Advent, Septuagesima, Sexagesima, and Quinquagesima; as also the 2d, 3d, and 4th of Lent. It must, however, be remarked, that the Gospels for Sundays, thus superseded by doubles, are never omitted, but are recited at the end of the Mass, instead of St. John's Gospel; and also, that a commemoration of the Sunday by its proper collect, secret, and post-communion, is always made immediately after the collect, etc., of the festival.

But as it sometimes happens that a double is transferred to some future vacant day, on account of some festival of higher rank intervening, then the difficulty of finding out the day on which such transferred festival is celebrated, as well as all other difficulties regarding the service, may be easily removed by consulting the following Ordo, as a guide to the morning as well as to the evening service of the Church.

1. The Office of every day is either *Double*, *Semidouble*, *Simple*, or of the *Feria*.

Of doubles, (so called because the anthems are repeated entire, both before and after the Psalms at vespers,) some are of the first class, marked thus in the calendar, *doub. 1st cl.*; others of the second class, and are marked thus, *doub. 2 cl.*; others are greater doubles, marked *gr. doub.*; others common doubles, marked *doub.*

2. Doubles are always kept on the day marked in the calendar, unless they fall on some Sunday of the first or second class, some privileged

feria, or within certain octaves, which take place of the festivals; in which case they are transferred to the first day not marked either as a double or a semi-double.

Doub. 1st. cl., denotes a great solemnity; doub. 2 cl., a lesser solemnity; greater doub. marks the feast to be of higher rite than a common double; doub. is the common and most general rank of saints; semid. is less than a double; simpl. shows the feast to be of the lowest rite; fer. or feria day is a week-day, having no feast; great fer. are week-days in Lent, Advent, etc.; Vig. or Vigil, is the eve of a great solemnity.

The Sundays of the 1st class, which takes place of all doubles, are:

The first Sunday of Advent, the first Sunday of Lent, Passion Sunday, Palm Sunday, Easter Sunday, Low Sunday, Whit Sunday, Trinity Sunday.

The Sundays of the second class, which takes place, also, of all doubles, except those of the first class, and of which, in that case, a commemoration is made at mass and in both vespers, are, the second, third, and fourth of Advent; Septuagesima, Sexagesima, and Quinquagesima, the second, third, and fourth of Lent.

The Ferias, which enjoy the same privileges as Sundays of the first class, are, Ash Wednesday, All Holy Week, Whitsun-Eve, the whole octaves of Easter and Whitsuntide.

In like manner, within the octave of the Epiphany, no feast less than a first class can be kept.

On all other Sundays of the year, if a double occur, it is kept with a commemoration of the Sunday at mass, and at vespers also, except the following day be a feast of the first class.

3. A semidouble (so called because only a part of the Anthem is said before each psalm at vespers) is marked in the calendar thus, *semid.*, and occurring on any Sunday whatsoever, is put off to the first vacant day; that is, the first day on which there is neither double nor semidouble marked in the calendar. The same is to be observed of all semidoubles occurring within the octave of Corpus Christi.

4. Simples have no mark in the calendar, and are never transferred; but if they fall on Sunday, or on any other day when the office cannot be said of them, a commemoration is made of the first vespers, and at mass; unless it be a feast of the first class, (on which no notice is taken of simples,) or of the second class, in which case a commemoration of them is made in the Lauds, and at a low, private mass only.

5. The following ferias, called greater ferias, take place of all simples, of which there is only a commemoration made at mass; viz., the ferias of Advent and of Lent, the Ember-Days, and Tuesday in Rogation Week. A commemoration is also made of the ferias of Advent and of Lent at vespers and at mass, whatever feast happens; but, of the Ember-days and Tuesday in Rogation Week, only at mass.

6. If a vigil happen within the octave, the mass is of the vigil, with a commemoration of the octave, unless there be a double or a semidouble feast that day, in which case the mass is of the feast, with a commemoration of the octave and of the vigil. But if a vigil occur on a feast of the first class, there is no commemoration made of it.

If a festival, that has a vigil, fall on a Monday, the mass of the vigil is said on the foregoing Saturday, except the vigil of Christmas and of the Epiphany.

If a vigil happen in Advent, the mass is of the vigil, with a commemoration of the feria, except the vigil of Christmas.

If a vigil happen in Lent, on an ember-day, the mass is of the feria, with a commemoration of the vigil.

" In the paschal time there is no office of vigil, except that of Ascension-eve, which, however, is no fast.

7. When a double of the first or second class, which is a holyday of obligation, falling on any day, is to be transferred, the obligation of the holyday is seldom transferred, but the faithful are generally obliged to hear mass on the day marked in the calendar.

8. When several festivals have been translated from their proper days, they are afterward to be kept in this order : first, those that are doubles, and then those that are semidoubles ; and among the doubles or semidoubles, those whose proper days first occurred, are to be kept first ; there are, however, some exceptions to this rule.

9. *Coll.* or *Collect*, signifies the oration or prayer. Upon all doubles one collect, secret, or post-communion, only is said ; except they fall on a Sunday, or within some octave, or upon some vigil, or in the time of Lent or Advent, or except it occurs with some simple ; in all which cases two collects, etc., are said ; one of the double, the other of the Sunday, octave, etc.

10. Upon Sundays and all semidoubles, are said three collects, secrets, and post communions ; excepting Sundays, which occur within an octave, on which are said two collects, etc. ; one of the Sunday, the other of the octave.

11. The second and third collects, secrets, and post-communions to be said on Sundays and semidoubles in the different seasons of the year, are specified in their proper places.

12. Upon semidoubles occurring within octaves, or on vigils, etc., the second collect, secret, and post-communion are a commemoration of the octave or vigil ; and the third of the B. V. M., but within the octaves of the blessed Virgin, the third is of the Holy Ghost.

13. On semidoubles in Advent, the second collect, secret, and post-communion, are the collect, etc., of the foregoing Sunday ; the third of the blessed Virgin Mary.

14. Upon simples and ferias, three collects, etc., are said ; but, if the priest please, he may say five or seven, to be taken out of the divers prayers in the *common*.

15. Upon week days, which have no proper office, nor any saint's day occurring thereon, the mass is of the foregoing Sunday.

16. Upon days within octaves, when no proper mass is assigned, the mass is said as on the feast, with three collects, etc.—N.B. The days within octaves are kept as semidoubles only.

17. The collect of the B. V. M. within octaves on vigils and on semidoubles within paschal time, *Grant, O Lord*, etc., is found in the votive mass of the blessed Virgin Mary ; from Advent to Christmas the collect of B. V. M. is, *O God, who wast pleased*, read in the mass of the first Sunday of Advent ; from Christmas to Candlemas the collect of the blessed Virgin, *O God, who by the fruitful*, as in the mass of the Circumcision.

18. The collect of gen. suffr., or general suffrage, is the prayer of the suffrages of the saints, which begins thus, *Preserve us, O Lord*, found in the ordinary of the mass.

19. The collects for the Church and Pope are said in the mass of the first Sunday of Advent. The collect of the Pope is said on the anniversary days of his creation and coronation ; the *creation* here signifies his election to the sovereign Pontificate.

20. The words *ad lib.* signify that one is at liberty to recite any of the occasional collects or prayers found toward the end of a missal.

21. The gospels assigned on Sundays are never omitted. Wherefore if a double be kept on a Sunday, at the end of mass is read the gospel of the Sunday, instead of that of St. John ; and the same is observed when a

double or semidouble is kept upon one day in Lent, or on a vigil or ember-day.

22. Where a special prayer is ordered to be said in the mass by the Bishop, it cannot be said in the place of the third prayer, which is noted *ad lib.* It must be said as the fourth. This prayer is omitted in all masses of the first class, and in high masses of the second class, unless it be ordered *pro causa gravi*, when it is said under the one conclusion. It may be said in private masses of the second class.

DIRECTIONS FOR USING THE VESPER, OR OFFICE-BOOK.

It appears necessary to explain the order, as well as the manner, in which that part of the public Liturgy of the Catholic Church called *Vespers* is recited or sung.

Our Father, and *Hail Mary*, being said in silence, the priest, making the sign of the Cross, intones aloud the Versicle, *Deus in adjutorium meum intende*; to which the choir add the responsory, *Domine ad adjuvandum me festina*, with the *Gloria Patri*; and when five psalms with as many anthems have been sung, the priest sings the *little chapter*.

Then are sung the *Hymn*, with its *Versicle* and *Responsory*, and the *Magnificat*, with its *Anthem*, followed by such *Prayers* and *Commemorations* as are suitable to the day; which, if it be neither a *Double* nor within the Octave of a Festival, are the common *Commemorations* or *Suffrages*, and are to be found after the vespers for Saturday.

Every double has *first* and *second* vespers: the *first* are said on the *eve* of the Festival, and the *second* on the Festival itself. Hence it often happens that the vespers are not of the Sunday, but of some double that falls on the ensuing day.

To find out the *particular vespers* for every Sunday and holyday throughout the year, consult the Directory at the day of the month on which such Sunday or Festival falls.

EXPLANATION OF THE VESTMENTS AND CEREMONIES USED IN THE HOLY SACRIFICE OF THE MASS.

All the external rites used in the celebration of the Holy Mysteries are intended for the instruction of the faithful. The chief design of these rights is to commemorate and to represent the passion and death of our Lord and Saviour Jesus Christ. This is plainly to be observed in the Altar and its ornaments, as also in the vestments which are worn by the Priest.

The *Altar* represents Mount Calvary, where the Redeemer of the world expired upon an ignominious cross. This very word *Altar* has relation to sacrifice, which must necessarily be offered to God in that church in which his true faith is professed; and hence this name of Altar is mentioned by St. Paul—"We have an altar," said he, "whereof they have no right to eat who serve the tabernacle."—Heb. xiii. 10. The Altar also represents the table on which our blessed Saviour, the night before he suffered, celebrated his last supper with his disciples.

The *Candles* are lighted during the Holy Mysteries, through a motive of honor and respect. They represent the light of faith, and the fervor of charity, which the Gospel inculcates. They are also expressive of spiritual life and joy. "Throughout all the churches of the East," says St. Jerome, "when the Gospel is to be read, though the sun shines, torches are used, not to chase away darkness, but for a sign of joy."

The *Crucifix* is placed in the middle of the Altar, to represent to our minds the passion and death of Jesus Christ, which are chiefly to be considered and piously meditated upon in this Holy Sacrifice.

The *Amice*, a linen cloth which the Priest pulls over his head, and fastens round his neck, signifies the linen with which the Jews blindfolded our Saviour in mockery when they smote him and buffeted him, saying: "Prophecy unto us, O Christ! who is he that struck you?"—Matt. xxvi. 68.

The *Alb* represents the white garment which Herod put upon Christ after he had despised and mocked him.—Luke xxiii. 11.

The *Maniple* that the Priest wears on his left arm, the *Stole* that he hangs down from his neck, and the *Girdle*, figure the cords and fetters with which the officers of the Jews bound Christ, and led him from one place to another.—John xviii. 12-24.

The *Chasuble*, or upper garment, represents the purple garment which the soldiers put upon Jesus Christ, and the heavy cross that he carried on his blessed shoulders to Mount Calvary.

As to the colors of the ornaments with which the Priest celebrates the Holy Mysteries, the *White* is used on the Festivals of our Lord, of the Blessed Virgin Mary, and of all the saints who are not martyrs.

The *Red* is used on Pentecost, on the Invention and Exaltation of the Cross, and on the Feasts of the Apostles and Martyrs.

The *Purple* or *Violet*, which is the penitential color, is used on all the Sundays and Ferias of Advent, and during the whole of the penitential time from Septuagesima Sunday till Easter; as also on all Vigils, Ember-Days, and Rogation-Days, when the Office is of them, and on the feast of the Holy Innocents.

The *Green* is used on all Sundays and Ferias from Trinity-Sunday to Advent exclusively, and from the Octave of the Epiphany to Septuagesima Sunday, exclusively, when the Office is of the Sunday; but in Paschal time the *White* is used.

The *Black* is used on Good Friday, and in Masses of *Requiem* for the dead, which may be said on any day that is not a Sunday or a Double, except from Palm Sunday to Low Sunday, and during the Octaves of Christmas, of the Epiphany, of Pentecost, and of Corpus Christi.

1. On the Anniversary of the Consecration of a Bishop the solemn Votive Mass of Consecration should be celebrated in the Cathedral Church. If the Anniversary fall on a Sunday of the 1st Class, within Holy Week, on Easter, Pentecost, Christmas, etc., the Anniversary Mass should (for that year) be omitted. Should it occur upon a Sunday in Lent, the prayer for the Bishop must be said in the "Mass of the time." Throughout the diocese, the commemoration of the same anniversary must be made by every priest with the prayer "*Deus omnium fidelium*" in the Votive Mass of the anniversary of the Consecration of a Bishop. This commemoration, however, should be omitted when the Anniversary occurs on Festivals of the 1st Class, Holy Thursday, Holy Saturday, or on any of the Sundays which admit only one prayer at Mass. But on Sundays and feasts of the 2d Class the Commemoration is made with one ending.

2. The Mass for the Transfer of a Bishop must be celebrated in the Church over which he is last placed; and throughout the diocese the commemoration must be on the Anniversary of the Transfer.

3. By an Apostolic Indult, dated February 7, 1847, the Solemnity of the Immaculate Conception of the B. V. M., unless it fall on Sunday, is to be transferred to the following Sunday, on which the private as well as the solemn Masses are celebrated *of the feast*. It is also made the Patronal Feast of the United States. The commemorations proper to the day are to be observed according to the Rubrics.

Province of Oregon.

The Province of Oregon includes the Dioceses of Oregon City, Nesqually, Vancouver Island, and the Vicariate Apostolic of British Columbia.

PRELIMINARY REMARKS.

The Western Catholic Mission of Oregon was commenced by Very Rev. F. N. Blanchet, Vicar-General of Quebec, and Rev. M. Demers. They were sent by the Right Rev. Bishop of Quebec. The latter left Canada for Red River in 1837; the former left Montreal the third of May, 1838, both leaving the Red River the tenth of July. They arrived at Fort Vancouver November 24, 1838, having passed the summit of the Rocky Mountains, October 10, by the fifty-second degree of latitude.

The Eastern Catholic, or Rocky Mountain Mission, was opened by Rev. Father De Smet, S.J., in a flying visit made to the Flat Heads in 1840. Having ascertained their good disposition, he came back among them in 1841, with two other Fathers, and founded St. Mary's Mission of the Rocky Mountains, which continued with great success during nine or ten years, and was suddenly abandoned on account of a change of dispositions in that tribe.

The Catholic Mission of Oregon, extending from the Pacific to the Rocky Mountains, between the forty-second degree on the south, and the Glacial Sea on the north, was erected into a Vicariate Apostolic, and the Very Rev. F. N. Blanchet appointed its Vicar-Apostolic, with the title of Bishop of Philadelphia, *in partibus infidelium*, by a Brief of December 1, 1843, which title was changed into that of Drasa, by Apostolic Letters of May 4, 1844.

The Vicariate Apostolic of Oregon was erected into an Ecclesiastical Province with the erection of three Sees, by Apostolic Letters of June 24, 1846; Right Rev. Bishop of Drasa being called to the Metropolitan See of Oregon City, Rt. Rev. A. M. A. Blanchet to that of Walla-Walla, and Rt. Rev. M. Demers to that of Vancouver Island. The See of Walla-Walla having been suppressed, the Bishop of Walla-Walla was translated to the See of Nesqually by Apostolic Letters of May 31, 1850.

St. Patrick's, corner of Liberty and West Broad streets, which is also the residence of the Pastor, Rev. C. C. Prendergast, Rev. P. Whelan.

City of Macon, Church of the Assumption, Rev. F. O'Neill, Jr.

Atlanta, Church of the Immaculate Conception, Rev. James Hasson, now absent on account of sickness; Rev. Thomas O'Reilly. The city of Atlanta has suffered awfully from the war, but the Church was providentially saved, and the Catholics are returning fast to their homes.

Columbus, Church of St. Philip and St. James, Rev. Michael Cullinan.

MISSIONS ATTENDED FROM THE ABOVE-MENTIONED CITIES.

Attended from Savannah, by the clergy of St. Patrick's: Darien, McIntosh Co.; Brunswick, Glynn Co.; St. Mary's, Camden Co., where a small church was destroyed by fire during the war; also numerous stations on the Gulf road, as far as Thomasville, inclusively; likewise some stations in Scriven and Effingham counties.

Attended from Augusta: First, Locust Grove, an old Catholic settlement of the Diocese, with a church, under the title of the Purification of the B.V.M., and a regularly consecrated graveyard. The settlement was partially abandoned by the former inhabitants, but offers great inducements to Catholic settlers. It is visited once a month from Augusta, on the second week of the month, and on Sunday every other month. Second, Washington Co.; there is here also a small church, attended once a month from Augusta, as the preceding place. Third, stations on the Georgia road and its branches, Athens, Union Point, Greensboro, Sparta, etc.

Attended from Macon: Albany, where there is a brick church recently built; Americus, Cuthbert, Milledgeville, Eatonton, Hawkinsville, Fort Valley, etc., and generally families on the South-Western road and the Central road.

Attended from Atlanta: Dalton, where there was a small elegant church, which was destroyed by fire toward the end of the war; Rome, Jonesboro, Newman, Lagrange, Springplace, Murray Co., etc.

Attended from Columbus: West-Point, Fort Gaines, Chattahoochee, Butler, etc.

RELIGIOUS, EDUCATIONAL, AND CHARITABLE INSTITUTIONS.

Convent of the Sisters of our Lady of Mercy, Savannah. This is a branch of an Order, founded by the illustrious Dr. England, Bishop of Charleston, where the nuns renew the vows of religion every year, and live under a rule approved by the Bishop. The community of Savannah counts 16 professed sisters and three novices. Mother Agnes, Superioress.

Sisters of St. Joseph. These sisters were lately obtained from France, to take the direction of schools for colored children. They have opened schools in Savannah and in St. Augustine with great success, the colored children, boys and girls, under their charge giving most satisfactory and encouraging marks of social and moral improvement. The only thing to be regretted in this matter is the small number of sisters with regard to the colored population, and the great expense which attends the support of those schools.

Male Orphan Asylum, attached to the Cathedral of St. John the Baptist, under the supervision of the Bishop. It has now 26 small boys.

Female Orphan Asylum, under the superintendence of the Sisters of Mercy. There are now 20 orphan girls in the institution.

There are now four *Catholic schools* for boys in Savannah, with an aggregate number of about 300 boys.

Academy of St. Vincent of Paul, conducted by the Sisters of Mercy, designed for boarders. It had lately nearly 100 young ladies; it has now about 28. The rooms and grounds of the academy are spacious and convenient for the accommodation of boarders.

The Sisters keep also *day-schools*, and a *free school* for the instruction of the girls of the city of Savannah.

The *Society of Our Lady Help of Christians*, among the Catholic ladies of Savannah, for the relief of the poor.

Augusta.—*Convent of the Sisters of Mercy*. This is a branch of the community of Savannah, under the control of the House of Savannah. Local Superior, Mother Vincent. The Sisters of Augusta keep an orphan asylum, an academy for young girls, and also a free school.

Macon.—The Sisters of Mercy in Savannah have sent a colony of Sisters to Macon, where they have opened a school for girls.

Columbus.—*Convent of the Sisters of Mercy*. This convent, established in Columbus during the war, is a dependence of a community of the same name in St. Augustine. The community belongs to the order founded by Mother McAuley, in Dublin.

Atlanta.—The pastor of Atlanta has last year built a splendid convent, where the Sisters of Mercy keep a boarding-school for girls, and a day-school for the convenience of the children of Atlanta.

Climate.—The soil and the climate of Georgia invite settlers to come here and work to their own advantage the agricultural resources of the State, which are inexhaustible. Catholics are not advised to settle in the midst of sectarian districts, far from any Catholic church, where they and their children would be exposed to the danger of shipwreck in the faith. But if they understand gardening, and have a small capital, they will find, in the vicinity of cities, rich lots, which will repay well their industry.

VICARIATE APOSTOLIC OF FLORIDA.

Comprising East, Middle, and South-Florida.

The State of Florida, excepting that part which lies west of the Apalachicola River, was erected into a Vicariate Apostolic by a Bull of His Holiness bearing date January 9, 1857.

ADMINISTRATOR APOSTOLIC.

Rt. Rev. AUGUSTUS VÉROT, D.D., consecrated April 25, 1858, Bishop of Danube, *in partibus*, and since transferred to Savannah.

CHURCHES AND CLERGY.

St. Augustine, St. John's Co., Church of St. Augustine, Rev. Demetrius Marogna, O.S.B., Rev., A. Sardi, O.S.F.
 Jacksonville, Duval Co., Church of the Immaculate Conception, Rev. J. F. B. Chambon. The church of Jacksonville, together with the parochial residence, which was a large and comfortable building, was destroyed by fire during the war. The officers of the Government, regretting this sad occurrence, have given boards to put up a temporary shelter to assemble the Catholics of the place. They are unable to rebuild the church and the house; it is therefore intended, as soon as circumstances will allow, to call on the sympathy and liberality of the Catholics of the North to remove, as soon as possible, these sad vestiges of the late troubles in the country.
 Tallahassee, capital of Florida, Church of Mater Dolorosa, Rev. J. B. Ol-lard.
 Fernandina, Amelia Island, Nassau Co., Rev. Henry Clavreul.

 Starke, Gainesville, Newnansville, and Cedar Key, attended from Fernan-dina.

INSTITUTIONS.

St. Augustine's Academy.—The Brothers of the Christian Schools left their house during the war. It is expected they will soon return. In the mean time a male school is kept, under the patronage of the clergy.

St Mary's Convent. This is a convent of the Order founded by Mother McAuley. The sisters keep an academy and a free school.

REMARK.—Catholic gardeners and farmers who would like a pleasant and healthy place to settle in, would do well to try the neighborhood of St. Augustine. The place was originally settled by Catholics, and the Catholic element prevails there yet to this day. The country is well adapted to the cultivation of the vine. The *black* grape, which gives a red wine, very good for the table, and the *purple* grape, which gives a white wine similar to the Sauterne and to the Champagne, grow in St. Augustine with astonishing luxuriance. It is also believed that the insect which has for some years back blighted the prospects of Florida, has now disappeared, and that delicious oranges can be obtained everywhere as heretofore. Honest, industrious settlers, furnished with a small capital, can scarcely meet with a failure.

INSTITUTIONS.

Academy of Mount St. Mary's, Omaha City, conducted by the Sisters of Mercy. Besides the usual branches of a solid English education, the modern languages are taught, vocal and instrumental music, drawing, painting, etc. Terms for board and tuition are \$250 per annum. To this Institution is, moreover, attached a select day-school.

Academy, at Nebraska City, conducted by the Sisters of the Benedictine Order. The substantial and ornamental branches of education are taught under the direction of Mother Beatrice, Prioress of the Institution. Although this Institution has been but a short time in existence, it has been favored with the kind patronage of both Catholics and Protestants, owing chiefly to the energy and perseverance of the Rev. E. Hartig, Pastor of the Missions.

Day-Schools, at Omaha City. The girls' school is conducted by three of the Sisters of Mercy. While a first-class male teacher has charge of the boys' school.

Day-Schools, at Nebraska City, conducted by the Rev. E. Hartig and the Sisters of the Benedictine Order.

Sunday-schools, in all missions where there is a priest stationed. With regard to schools in general, we are deficient in this State, for want of necessary funds, and must, therefore, conform in a great measure to those under the Board; endeavoring at all times to have Catholic teachers appointed.

CHURCH ACCOMMODATION

is also a sad necessity. Except two, all our churches are frame buildings; many even of rough logs. It is quite true, the Cross, the emblem of our faith, was raised on our little brick church in Omaha City, before any of the weeds of Protestantism had sprung up. Since your last publication the Cathedral, then in process of erection, has been perfectly closed in for the winter. It is a beautiful structure of brick and dressed limestone, and is admired by all as a most elegant and chaste specimen of church architecture. The growing wants of our large and daily increasing congregation make it imperative on us to occupy it during the winter. The Rt. Rev. Bishop thanks those who have already kindly contributed to the necessary work, and would solicit further help from those whom God has blessed with worldly means, and which he cannot hope from at home, that a fitting temple for the dwelling of the God of peace may be established here, where, but a few years ago, was heard only the war-cry of the Indian.

Irish Ecclesiastical Register.

IRELAND is divided ecclesiastically into four Provinces, named after the four Archiepiscopal Sees, Armagh, Dublin, Cashel, and Tuam, which are not coincident with the civil Provinces in which they are respectively situated. The Province of Armagh, containing the Primatial See of all Ireland, embraces, beside the civil Province of Ulster, the whole or portions of the counties of Louth, Meath, Westmeath, King's, and Longford, in Leinster, with Leitrim, Sligo, and Roscommon, in Connaught; the Province of Dublin, under the Primate of Ireland, contains a portion only of the civil Province of Leinster, embracing the whole or portions of the counties of Dublin, Kildare, Wicklow, Queen's, Wexford, Carlow, King's, Meath, and Kilkenny; the Province of Cashel is mainly coincident with the civil Province of Munster, a small portion of the north of Clare—the Diocese of Kilmacduagh—being suffragan to Tuam; whilst the Province of Tuam is smaller than the civil Province of Connaught, and includes the whole or portions of the counties of Galway, Mayo, Sligo, Roscommon, Clare, and King's.

The Province of Armagh includes the Diocese of Armagh, with the Dioceses of Meath, Derry, Clogher, Raphoe, Down, and Connor, Kilmore, Ardagh, and Dromore, as Suffragan Sees; total, nine Dioceses.

The Province of Dublin includes the Diocese of Dublin, with the Dioceses of Kildare and Leighlin, Ossory, and Ferns, as Suffragan Sees; total, four Dioceses.

The Province of Cashel includes the Diocese of Cashel, and the Diocese of Emly attached, with the Dioceses of Cork, Killaloe, Kerry, Limerick, Waterford, and Lismore, Cloyne, Ross, and Kilfenora, as Suffragan Sees; total, eight Dioceses.

The Province of Tuam includes the Diocese of Tuam, with the Dioceses of Clonfert, Achonry, Elphin, Kilmacduagh, Galway, and Killala, as Suffragan Sees; total, seven Dioceses.

Parishes and Benefices.—The number of civil or legal Parishes in Ireland is 2422, and the number of Catholic Parishes or Benefices marked by territorial jurisdiction 1070, so that the Civil and the Catholic ecclesiastical Parishes are rarely conterminous. The number of Parishes or Benefices in the Established Church is 1510.

COLLEGE

OF THE

CHRISTIAN BROTHERS,

ST. LOUIS, MO.,

Corner of Cerré and Eighth Streets.

This Literary Institution possesses all the advantages of an agreeable and healthy location, easy of access, being situated on a rising ground a little south-west of the Pacific Railroad terminus, in the city of St. Louis, Missouri. It was founded in 1851, by the Brothers of the Christian Schools, incorporated in 1855 by the State Legislature, and empowered to confer degrees and academical honors. However favorable the auspices under which it commenced its literary career, its progress since has surpassed all anticipation. Growing equally in public confidence and in the number of students, it has gone on extending its reputation. Repeated additions have been made to the original buildings.

Every possible attention is paid to whatever can contribute to the health and happiness of its inmates—ventilation, cleanliness, spacious halls, dormitories, refectory, recreation halls for cold or damp weather, etc., etc.

The various arts and sciences usually taught in colleges find here an appropriate place in a system of education established by experience, conducted on the most approved plan, and with a devotedness commensurate with the greatness of the work engaged in. By reason of the great number of classes, a thorough gradation for all capacities and acquirements has been attained, and the frequent examinations and promotions beget emulation, the soul of advancement, making labor a pleasure, and success a certainty.

The course of instruction pursued in the academy is divided into three departments: the primary, the intermediate, and the collegiate. There is, besides, an exclusively commercial course, offering rare advantages to young gentlemen who intend to make business their profession. It is divided into three classes, in which the chief place is given to instruction in Bookkeeping, Arithmetic, Geography and History, Business Forms and Correspondence, Epistolary Composition, Penmanship, etc., with Lectures on Commercial Law, Political Economy, etc. Diplomas can be obtained in the Commercial department by such as merit that distinction.

The session commences on the last Monday in August, and ends about the 3d of July with an annual public examination, a distribution of premiums, and the conferring of degrees and academical honors.

On the completion of the course, the degree of A.B. is conferred upon such students as, on examination, are found worthy of that distinction. The degree of A.M. can be obtained by graduates in the first degree after two years devoted to some scientific or literary pursuit, their moral character remaining unexceptionable.

The government is a union of mildness and firmness, energy and kindness, a blending of paternal solicitude with fraternal sympathy; the results of which are contentment, good order, and happiness. The morals and general deportment of the students are constantly watched over; the Brothers preside at their recreations, and their comfort and personal habits receive every attention.

The buildings are large and commodious; the location is upon high ground, overlooking a beautiful country, and is unsurpassed for healthfulness by any portion of the United States, receiving the pure air of the surrounding mountains.

It will be the constant endeavor of the Sisters having charge of the Academy to instill into the minds of their pupils principles of virtue and religion; to accustom them to a polite and amiable deportment, as well as to habits of order and neatness; to advance them in their studies as rapidly as a due regard to their physical health will allow, to which, at all times, great attention will be paid.

The regular course of instruction will embrace the English and French Languages, Geography, History, Arithmetic, the elements of Algebra and Geometry, Natural Philosophy, Chemistry, and Book-keeping; also Plain and Ornamental Needle-work.

For the character of the School, the Sisters refer to Right Rev. Bishop Whelan's notice in the FREEMAN of the 20th of January.

Address *Directors of the Academy of Mt. de Chantal, near Wheeling, West Va.*

ACADEMY OF THE SISTERS OF THE VISITATION, At Mt. de Chantal, near Wheeling.

The very remarkable and highly cultivated talent which presided over the musical department of the Sisters in Wheeling, unrivaled probably in any institution for female education in the country, led me, as a duty to the public, to encourage the erection of buildings of such extent, and so located, as to present to parents every possible inducement to avail themselves of the benefits of the school. The Sisters now occupy their new buildings at Mt. de Chantal, and are prepared for the accommodation of two hundred pupils.

The same sense of duty which led to the improvement now suggests the strong and decided recommendation which I hereby address to the public through the *FREEMAN'S JOURNAL*. I trust it will be extensively circulated by the friends of education and the lovers of music, especially in the West and South. I have alluded only to the musical department as beyond competition. In other respects, I regard the school as inferior to none.

R. V. WHELAN, BISHOP OF WHEELING.

Extract from the New-York "Freeman's Journal."

The Academy of Mt. de Chantal, for young ladies, conducted by the Sisters of the Visitation of the Blessed Virgin Mary, is situated just far enough out of Wheeling to be rid of the smoke and dust of that city. It is built in a lovely region of hill and dale, and enjoys the benefits of the delightful climate of that western spur of old Virginia. The general management of this Academy is of a very high order. The approbatory note of the Right Rev. Dr. Whelan, Bishop of Wheeling, which we publish this week, would of itself sanction such a conclusion. Bishop Whelan, at the same time that he is a devoted Bishop, is, from his birth and training, a true Virginia gentleman. But, outside of his commendation, we have good reasons for saying that this Academy has great claims on the confidence of parents in all regions convenient to that place.

Bishop Whelan, in his note, refers especially to the advantages for thorough musical accomplishments offered at the institution. Following his reserve, we will not mention the name of the wonderful songstress and thorough-bred musician that makes this Academy so remarkable. Religious modesty might be offended. But she is not forgotten in Philadelphia, where her youthful genius was so well appreciated in the most cultivated circles. The most flattering attachments of musical celebrities, among whom we may mention Madame Sontag, availed not to prevent this young lady consecrating herself and all her gifts to the religious life.

MOUNT DE CHANTAL.

Wolfsohn's Testimonial.

To the many who are sincerely interested in promoting the real advancement of musical science, particularly as regards the education of young ladies, it will certainly be very gratifying information that an Institution exists which can not be too much commended in this respect. I allude to the *Academy of the Visitation*, at Mt. de Chantal, near Wheeling, W. Va. It is with the greatest pleasure that I most warmly recommend it to all who can appreciate a true and thorough musical education.

Having visited the Institution and examined with care the method of instruction there pursued, and its results, I have no hesitation in making the above assertions, the truth of which has been repeatedly confirmed in my experience with pupils whose course commenced and continued there for years.

The Instrumental and Vocal departments are chiefly under the direction of a sister, a distinguished pupil of Perelli, of Philadelphia. A conscientious student, gifted with extraordinary ability, and a voice of unrivaled power, she knows no other watchword than progress for the benefit of the pupils confided to the community.

By her care a competent body of teachers has been formed, while the abundant time allowed for practice and the manner in which this is superintended deserve especial praise. The absence of such distractions as too often render useless, in our large cities, the best teaching that can be obtained, secures for this school the success which has given it its high reputation.

At a time when so many musical conservatories are springing into existence all over the country, it must be a satisfaction to our Western friends to know that among them an Institution has existed for years, which it would be difficult to equal.

AN ENGLISH GRAMMAR. 12mo, 288 pages. Price \$1.20.

FIRST BOOK IN ENGLISH GRAMMAR. 18mo, 120 pages. 50 cents.

Read the following letter to the Author, from the Sisters of the Academy of the Visitation B.V.M., Parkersburg, West Virginia, showing their opinion of his books:

"Should the expression of our opinion of the superiority of your Text-books contribute ever so little to their further circulation, we shall be highly gratified. First, because it is always a gratification to oblige so kind a friend as you have been to us; and secondly, because we are deeply interested in the progress of education everywhere in this country, particularly in connection with our Catholic Institutions; and our past experience of your Text-books—their workings in the class-room—the results attained—incline us to believe that their universal introduction in our schools would effect very happy results in our system of instruction.

"With the full and entire approbation of our Rt. Rev. Bishop, we adopted your Philosophy, Rhetoric, and Grammar, several years ago, in the Wheeling Academy of the Visitation, where they afforded general satisfaction both to pupils and teachers. But it is in Parkersburg especially that they have become favorite text-books. Your Primary Grammar HAS PRODUCED ALMOST MAGICAL EFFECTS in our Primary classes of Grammar. We have never known pupils make such rapid and solid progress as the little girls who have been studying your Primary Grammar for a few months only. It is a real pleasure to drop into their class-room unexpectedly, and listen to their recitations and explanations. They boast that Grammar is their favorite study, and often speak of the kind author with sentiments of gratitude."

FIRST LESSONS IN COMPOSITION. 12mo, 182 pages. 90 cents.

ADVANCED COURSE OF COMPOSITION AND RHETORIC; Treating of the Origin of the English Language, Punctuation, Taste, Pleasures of the Imagination, Figures, Style, Criticism, and the various departments of Prose and Poetical Composition. 12mo, 450 pages. \$1.75. These works on Composition have supplanted almost all others on the same subject. Hon. A. C. Barry, late State Superintendent of Common Schools in Wisconsin, reflecting the opinion of our best teachers, says: "It would be difficult to point out, in these admirable books, any thing that we would desire to have altered. They meet our wants in every respect."

PRIMARY HISTORY OF THE UNITED STATES. Made easy and interesting for beginners. Child's Quarto; splendidly illustrated; 192 pages. \$1.

ILLUSTRATED SCHOOL HISTORY OF THE UNITED STATES, with an Account of the Aborigines, and numerous Maps and Plans of Battle-fields. 12mo, 538 pages. \$2. Everywhere used and commended in the strongest terms. A new chapter has been added, and *every thing is brought fully up to date.* Hon. JOHN SWERT, State Superintendent of California, in his annual report, says: "Quackenbos's History of the United States is admirably adapted to meet the wants of our public schools."

A NATURAL PHILOSOPHY; Adapted for use with or without Apparatus. 335 illustrations; 12mo, 450 pages. \$2. Pronounced unqualifiedly the best text-book on the subject by such men as Dr. Perkins, author of the Arithmetics; President Chase, of Brookville College, Indiana; Prof. Duncan, of Louisiana; A. J. Rickoff, late Superintendent of Schools, Cincinnati; Prof. McNeely, of New-Jersey; Prof. Sheldon, of Griswold College, Davenport; President Powell, of Soulesbury College; C. B. Metcalf, Principal of High School, Worcester, etc., etc.

A NEW SERIES OF ARITHMETICS. By G. P. QUACKENBOS, A.M., on the basis of the works of GEORGE R. PERKINS, LL.D. Primary, 40 cents; Elementary, 60 cents; Practical, \$1. Mental, (nearly ready.)

Clear, thorough, comprehensive; logically arranged; well graded; supplied with a great variety of examples; exact in their definitions; brief in their rules; condensed and searching in their analyses; up to the times; teach the methods actually used by business-men; make the solution of a question an intelligent and not a mechanical process; *perfect* text-books; WITH NO DEFECTS. Such is the verdict pronounced by teachers on our new Series of Arithmetics. Such are the advantages that are introducing them into schools everywhere.

Ours is the only Practical Arithmetic that teaches the difference between gold and currency; the mode of computing the national income-tax; and the different classes of United States securities. They are emphatically THE BEST of their kind, and the most PRACTICAL.

MILLIONS OF COPIES HAVE BEEN SOLD.

NOW READY,

Revised Edition of

CORNELL'S INTERMEDIATE.

In this Edition, the text has undergone a rigid revision, and the many geographical changes of the last few years in our own country, as well as in the Old World, have been carefully noted and embodied. *A Summary of Physical Geography*, embracing the most important elements of that department of the science, has been added.

One of the great features of this Revised Edition is its Magnificent Maps, the result of much experiment and labor, to which the Publishers point with pride as the most beautiful specimens in this line of art ever offered to the American public—accurate in their outlines, sharp and distinct in their lettering, admirable in their arrangement of names, tasteful in their coloring, and in all respects unexceptionable.

The American Educational Series.

No Series of School Books ever offered to the public have attained so wide a circulation or received the approval and indorsement of so many competent and reliable educators, in all parts of the United States, as this.

Among the most prominent of their publications are the following, viz.:

ROBINSON'S COMPLETE MATHEMATICAL SERIES.

With the improvements and additions recently made, this Series is the most complete scientific and practical of the kind published in this country. The books are graded to the wants of Primary, Intermediate, Grammar, Normal, and High Schools, Academies, and Colleges.

THE METRIC SYSTEM OF WEIGHTS AND MEASURES, full, practical, and greatly simplified, has been added to the Written Arithmetics.

ROBINSON'S SERIES show a gain in circulation for the year ending January 1, 1867, of 55,720 volumes. They have a large and rapidly increasing sale.

Brother AMBROSE, Provincial of the Christian Brothers of the United States: "We have been using Robinson's Series of Mathematical Books for over three years, and find them so well adapted to our purposes that they now supersede all other works on Mathematics in our Schools and Colleges. A report having gone abroad that Robinson's works were excluded from our Schools, I avail myself of the present occasion to contradict it, and to add, that they are the standard works used in our Schools and Colleges, not only in the United States, but in the Canadas."—DE LA SALLE INSTITUTE, *New-York, March, 1865.*

The "BROTHERS OF THE CHRISTIAN SCHOOLS" have ordered such of Robinson's Mathematical Series as are adapted to their classes, and they are now in use in schools under their supervision in Montreal, C. W., Quebec, C. E., Santa Fe, New-Mexico, New Orleans, St. Louis, Chicago, Detroit, Baltimore, Philadelphia, New-York City, Brooklyn, Albany, Troy, Utica, Rochester, and many other large towns.

Kerl's New Series of Grammars.

For simplicity and clearness, for comprehensive research and minute analysis, for freshness, scientific method and practical utility, this series of English Grammars is unrivaled by any other yet published.

SPENCERIAN COPY-BOOKS.

Used in NINE-TENTHS of all the Normal Schools in the United States. Officially adopted and used in all the principal cities of the United States. Taught in all the Commercial Colleges.

One fact will show the estimation in which this system is held by the public. For two years, ending January 1, 1867, this Series *increased* in circulation 88,025 dozen, or nearly a half-million of books.

GUYOT'S GEOGRAPHIES AND MAPS.

- "Incomparably superior to anything published."—PROF. AGASSIZ.
 "One of the ablest Physical Geographers of the world."—PROF. J. D. DANA.
 "Greatly superior to any works of the kind published."—PROF. JOSEPH HENRY.

The astonishing success which Prof. Guyot's Geographical Text-books have already achieved—one hundred thousand copies having been sold in less than a year since their first introduction—is the most emphatic indorsement possible of their preëminent merits. Hundreds of our leading instructors, including some of the most distinguished scientific minds of this country, and indeed of the world, have emphatically indorsed them as containing the only true and the only philosophical method of developing Geography as a science. The Text-books are rapidly finding their way into the school-rooms throughout the country; and from all those into which they have been introduced we have emphatic and unanimous testimony that they have made the study of Geography a pleasure instead of tedious drudgery, and that scholars of all ages pursue it with a zest and enthusiasm to which they were strangers under the old system of learning by rote.

Prof. Guyot's series of Geographies includes the following Text-books:

- I. Primary; or, Introduction to the Study of Geography.
- II. Elementary Geography. (In preparation.)
- III. The Intermediate Geography.
- IV. Common School Geography.

These Geographies are used in a large number of prominent Catholic Institutions, among which are the following:

College of St. Francis Xavier, New-York.	St. Mary's Academy, Newark, N. J.
Catholic Institute, Jersey City.	St. James' Parochial School, Newark, N. J.
St. Peter's Academy, " "	St. Agnes' Academy, Paterson, N. J.
St. Peter's Parochial School, Jersey City.	St. Agnes' Convent, " "

TESTIMONIAL FROM PROF. A. H. DUNDON, PRINCIPAL OF THE CATHOLIC INSTITUTE, JERSEY CITY.

"I earnestly recommend the introduction of your Geographies into our Schools. They must of necessity supply a great and wide-spread want in this respect; and, while their tendency is to enlarge the mind, the manner in which a naturally attractive subject is rendered still more attractive is beyond all praise."

To Teachers.—Teachers desiring to examine these Text-books can procure them of the Publishers at the following prices: The PRIMARY, 75 cents; the COMMON SCHOOL GEOGRAPHY, \$1.50; the INTERMEDIATE GEOGRAPHY, \$1; or the three books will be sent together to Teachers for \$3.

Pamphlets, containing testimonials from instructors who have practically tested Prof. Guyot's Geographical Text-books, will be sent to any address.

Prof. Guyot's Physical and Political, and Classical Wall Maps.

These Maps are issued in a style superior to any others produced in this country, and are the only ones which deserve to be recommended for use in schools, academies, and colleges. The LARGE series (\$71 per set) comprises nine Maps, ranging in size from 4x5 to 10x6 feet.

The INTERMEDIATE series (\$38.50 per set) comprises eight Maps, one 5x6 and the others 4x5 feet.

The PRIMARY series (\$18 per set) is neatly arranged in a portfolio.

The CLASSICAL Maps include those of the Roman Empire, of Ancient Greece and of Italia, each 6x8 feet in size, and sold for \$15 each, or \$45 per set.

Any of these Maps, excepting those belonging to the Primary set, may be purchased singly.

Pamphlets containing full descriptions of these Maps may be procured on application to the Publishers.

DE LA SALLE INSTITUTE, NEW YORK, September 16th, 1867.

MESSRS. A. S. BARNES & CO., *Publishers:*

Having been convinced for some time past that the series of Geographies in use in our schools were not giving satisfaction, and came far short of meeting our most reasonable expectations, I have felt it my imperative duty to examine into this matter, and see if a remedy could not be found.

Upon a thorough and critical examination, I have concluded that the best thing that could be done, is to entirely displace the old books now in use, and introduce in their place some other series better adapted to the wants of the schools under our charge.

Copies of the different Geographies published in this country have been placed at our command for examination.

On account of other pressing duties, we have not been able to give as much time to the investigation of all these different series as we could have desired; yet we have found enough to convince us that there are many others better than those we are now using; but we cheerfully give our most decided preference, above all others, to the National Series, by Monteith and McNally.

Their easy gradation; their thoroughly practical and independent character; their comprehensive completeness as a full and accurate system; the wise discrimination shown in the selection of the subject matter; the beautiful and copious illustrations; the neat cut type; the general execution of the works, and *other excellences*, will commend them to the friends of education everywhere.

BRO. PATRICK,
Provincial of the Christian Bros.

Many of the Christian Brothers' Schools have already adopted these books, and others are now introducing them. Satisfactory arrangements have been made with the Publishers to supply all with Geographies, at greatly reduced rates.

From BRO. JEROME, Superior of the Franciscan Brothers:

I have examined Monteith & McNally's Geographies with a good deal of attention, and, in my opinion, they far surpass any series of Geographies that have yet come under my notice. I have introduced them this year (1867) into all our schools.

BROOKLYN, Sept. 20th, 1867.

These books constitute the most popular and successful series of the present day. Their progress has no parallel in the history of any other text-books in this department of study. Besides being used in a greater proportion than any others in the academies and schools of New York, Pennsylvania, Ohio, and all the Southern States, they have been adopted or recommended in nearly every Western State, where official recommendations are made, including Wisconsin, Michigan, Missouri, Minnesota, Iowa, Indiana, Illinois, Kansas, Nevada, and in the Territories of Washington, Utah and Colorado. In short, their increase in circulation, from year to year, seems almost fabulous.

WEBSTER'S Unabridged Dictionary.

NEW ILLUSTRATED EDITION.

10,000 WORDS and MEANINGS not found in other Dictionaries.

A necessity to the library of every intelligent family, student, teacher, and professional man.

Unquestionably the best English Dictionary extant. In one vol. of 1840 Royal Quarto pages.

"In the eyes of Catholics, it will be no small recommendation of the work that the terms peculiar to the Catholic Church have been carefully revised or re-written by Dr. E. B. O'Callaghan, of Albany, who was named to the publishers by the late Archbishop Hughes as one of the most competent persons who could anywhere be found for the performance of this service. It will be a recommendation at least equally great that the Pronouncing Table of Scripture Proper Names contains a supplementary list of such names as are found in the Douay Bible, and not in King James's Version—being all that present any difficulty of pronunciation. The want of an authoritative orthoepical standard for this class of names has been long and widely felt; and we trust that this Vocabulary, which has been constructed with sound judgment and the most painstaking care, will come to be generally accepted as a trustworthy arbiter or guide in all cases of difficulty or doubt.

"We have no hesitation in declaring our conviction, based upon a careful examination of the volume, and a tolerably wide acquaintance with other English lexicons, that it approaches nearer to the character of a perfect Dictionary than any other in the language."—*Boston Pilot*.

"THE NEW WEBSTER is glorious—it is perfect—it distances and defies competition—it leaves nothing to be desired."—*J. H. Raymond, LL.D., President of Vassar College*.

"All young persons should have a standard Dictionary at their elbows. And while you are about it GET THE BEST; that Dictionary is NOAH WEBSTER'S—the great work unabridged. If you are too poor, save the amount from off your back to put it into your head."—*Phrenological Journal*.

"For school purposes the best books upon the subject I have seen."—Hon. S. S. RANDALL, Supt. of Schools, New-York City.

ANDERSON'S SCHOOL HISTORIES of the UNITED STATES.

BY JOHN J. ANDERSON, A.M.,

Late Principal of Grammar School No. 31, New-York, now Principal of the
Walworth Academy, Brooklyn.

ANDERSON'S INTRODUCTORY HISTORY of the UNITED STATES.

16mo, 190 pages. Price, 60 cents; \$5.40 per dozen.

ANDERSON'S COMMON SCHOOL HISTORY of the UNITED STATES.

16mo, 342 pages. Price, \$1; \$8.40 per dozen.

ANDERSON'S PICTORIAL HISTORY of the UNITED STATES.

Illustrated with Engravings and Maps. 12mo, 400 pages. Price, \$1.60; \$15 per dozen.

Read the following from the *New-York Tablet*:

"These are by much the best school histories of the United States we have yet seen. They are clear, simple, and concise, ample in detail, yet sufficiently condensed to be easily committed to memory. A further recommendation for these histories is that they do not pander to the vulgar prejudices against Catholics and their religion, as do most school histories published in the United States. The author simply states his facts without going out of his way to influence the reader's judgment, even where Catholics are concerned, a course widely different from that pursued by most Protestant writers. Even 'the Jesuits' are not held up to obloquy, or painted in those dark colors in which we are wont to see them represented by such writers as * * * whose history of the United States, by the way, is not fit for use in Catholic schools. We wish our friends at the head of schools and colleges to remember this. If they will take the trouble to examine * * * 's history carefully, and then compare it with these of Anderson's, they will easily perceive the superiority of the latter as a fair, candid statement of facts, which is all the historian ought to present—especially for young learners."

Teachers, do you desire a book that will so enable you to fit your pupils in a knowledge of the history of our country, that when they are examined for promotion, or with any other object, the result will be creditable both to you and them? Anderson's Histories, prepared by a practical teacher, are, then, just what you need. In the Grammar Schools of the City of New-York, where they are used, the annual examinations conducted by the Superintendent, though very thorough, uniformly prove successful in the department of history, to the candidates examined. So also pupils from the Grammar Schools, presenting themselves for admission into the College of the City of New-York, rarely fail in history.

These books are used in the following well-known Catholic Institutions:

Academy of Notre Dame, Roxbury, Mass.; Mount St. Vincent Academy, New-York; Academy of Notre Dame, Boston; Academy of Notre Dame, Lowell, Mass.; St. Joseph's Academy, New-York; Notre Dame Academy, South Boston; St. Gabriel's Academy, New-York; Notre Dame Academy, East Boston; St. Peter's Academy, New-York; St. Vincent de Paul Institute, New-York; St. Mary's School, Dayton, Ohio; and in numerous other Catholic Institutions in various parts of the country.

 Copies sent to Teachers for examination on receipt of half the price named.

THE LIFE AND SERMONS OF THE REV.
FRANCIS A. BAKER, Priest of the Congrega-
tion of St. Paul, Edited by Rev. F. A. HEWIT.
One volume, crown octavo, pp. 504, . . . \$2 50

EXTRACTS FROM NOTICES OF THE PRESS.

"Father Baker was a lovely boy, a wise and thoughtful youth, and a devout servant of Christ. The son of a Methodist, the graduate of a Presbyterian college, he became first an Episcopal clergyman, and then a Catholic priest. In all these changes, he everywhere won love; and whatever were the peculiarities of his character, he was a sincerely good and thoroughly pure man, and deserved the tribute which this remarkably appreciative and tender biography pays him."—*New-York Watchman*.

"After Newman's 'Apologia' and Robertson's 'Life,' the memoir contained in this volume is perhaps the most respectable clerical biography that we have met for a long time. We recommend such persons as have already attained to settled principles, and who may have an opportunity, to give the 'Memoir' itself a thorough perusal. It is rich in personal reminiscences. It is, at the same time, like the 'Apologia,' both an argument and a biography."—*Christian Times*.

"Father Hewit's biography of his deceased friend is a most noticeable piece of writing. It is as impartial as could be expected, and has a marked local interest from its allusions to local affairs in religious circles. A great part of it is occupied with an elaborate view of the Oxford, or, as it is familiarly called here, the 'Puseyite' movement, and of its effect on this country. The conversion of Bishop Ives, the remarkable scenes at the ordination of Rev. Arthur Carey, the movement toward a Protes-

tant Oriental bishopric at Constantinople, in which Bishop Southgate was engaged, and various other features in recent church history, all are described, rendering the biography of marked interest to Episcopalians as well as to Catholics; while the history of Father Baker is a curious study of the operation of religious belief on a young vigorous, and active mind."—*New-York Evening Post*.

"The portrait which forms the frontispiece to this volume appears to represent one of the contemplative, saintly, seraphic spirits of the early ages of Christianity, rather than a man whose life was cast amid the bustle and activity and worldly-mindedness of the nineteenth century. The impression is confirmed by the perusal of the memoir. It introduces us to a type of character which is rare in these days, and reminds us of a strain of mediæval music. . . . The sermons are remarkable for the earnestness of their spirit, the simple and vigorous eloquence of their style, and their frequent beauty of conception and illustration. The biography, by his bosom friend and companion, is an athletic piece of composition, controversial and aggressive in its tone, abounding in personal episodes, and presenting a spirited and impressive sketch of the movement in which both the author and the subject have been prominent actors. The volume, of course, possesses a paramount interest for Catholic readers, but it forms too remarkable an illustration of some important features in the religious tendencies of the day not to challenge a wide attention from intelligent observers."—*New-York Tribune*.

"This is the very best edition, as regards typographical skill, that has as yet been issued of any Catholic work in this country."—*Boston Pilot*.

"His sermons are brief, addressed to the common heart and reason of his hearers, and remarkably free from clerical assumptions of authority. The sermon on 'The Duty of Growing in Christian Knowledge' is liberal and philosophical to a degree not usual in the pulpits of any denomination."—*New-York Nation*.

II.

THE WORKS OF THE MOST REV. JOHN HUGHES, D.D., First Archbishop of New-York, containing Biography, Sermons, Letters, Lectures, Speeches, etc. Carefully Compiled from the Best Sources, and Edited by LAWRENCE KEHOE.

This important work makes two large volumes of nearly 1500 pages. The editor has spared neither labor nor expense to have it as correct and as complete as it is possible to make a work of the kind. The prominent position occupied for so many years by Archbishop Hughes makes this a highly impor-

tant work; his views on all the general questions of the day—so eagerly read at the time—are here collected and presented to the Catholic public in two elegant volumes, which are indispensable to every library of American Catholic Literature.

EXTRACTS FROM NOTICES OF THE PRESS.

"Opening these volumes, the first thing that strikes us is the vast energy, the indomitable resolution, the all-embracing zeal of this great prelate. No subject affecting the interests of Catholics was beneath his notice. The collection of such a vast pile of materials is in itself an arduous and laborious task, and when collected the arrangement and collation of the documents were a work of time and trouble, requiring both judgment and discrimination; both these qualities are apparent in the contents of the two large volumes before us."—*New-York Tablet*.

"The editor deserves great credit for the care, industry, and taste with which he prepared his work."—*Baltimore Catholic Mirror*.

"This is one of the most carefully prepared, as well as most interesting, contributions to American and Catholic history."—*Boston Pilot*.

"Every Catholic should provide himself with a copy of the works, because they are the history, almost, of the Church in her infancy in the Eastern States."—*Cincinnati Catholic Telegraph*.

"Take him all in all, Archbishop Hughes was the greatest man that the Catholic Church has yet produced in this country, and his writings must have a deep interest for all the members of his communion."—*Chicago Republican*.

"There is a fund of instruction in his writings alike to the Christian and the worldling, the Protestant and the Catholic."—*Daily News*.

"The work of the editor appears to have been done in a manner worthy of the highest commendation."—*Pittsburg Catholic*.

"Every Catholic household should have the work."—*Irish American*.

"This work gives his speeches and discourses in full. These will be sought for by multitudes of his admirers."—*New-York Freeman's Journal*.

III.

SERMONS OF THE PAULIST FATHERS,

for 1865 and 1866. Price, . . . \$1 50

EXTRACTS FROM NOTICES OF THE PRESS.

"They are good examples of practical, earnest, pungent preaching. . . Others besides Catholics may be stimulated by these discourses, and some Protestant preachers we have heard might learn how to talk plainly to the heart and conscience of men."—*Round Table*.

"These sermons are dictated with a conviction of mind and earnestness of heart that the hearer and the reader are carried away while reading or listening to them, which, after all, is the triumph of eloquence."—*Boston Pilot*.

"These sermons, like those which preceded them, are sound, practical, and able productions."—*Catholic Mirror*.

"They are adapted to the wants of our age and country, and consequently must elevate the standard of morality whenever they can secure the attention of a reader."—*Pittsburg Catholic*.

"Here are twenty-one Catholic sermons in various degrees of excellence, nearly all of which are so thoroughly and truly catholic in the widest sense of the term, that they will be read with pleasure by Protestants, as well as by members of the communion to which they are carefully addressed."—*New-York Citizen*.

THREE PHASES OF CHRISTIAN LOVE:

The Mother, the Maiden, and the Religious. By
LADY HERBERT. One volume, 12mo, . . . \$1 50

EXTRACTS FROM NOTICES OF THE PRESS.

"The author writes in a spirit and style worthy of the sacred subjects of her pen. It is a book that should be in the hands of every Catholic, and one which Protestants might read with benefit to themselves, and without having their prejudices rudely assailed. Mr. Kehoe has issued the volume in admirable taste. Its mechanical execution is without a flaw."—*Citizen*.

"We hail this work as a great acquisition to our Catholic literature, and recommend it to the attention of all. It is just the book that ought to be placed in the hands of Catholic ladies. The publisher deserves great credit for the beautiful type, paper, and binding, which make this book equal in taste and elegance to any published in this country."—*Pittsburg Catholic*.

"No one can sit down to the perusal of this exquisite volume without being charmed with its contents, which include the lives of St. Monica, Mlle. Victorine de Gallard Terraube, and the Venerable Mère Devos, Mother Superior of the Sisters of Charity of St. Vincent de Paul. We have seen the original English edition, and can say that the American issue is in no respect inferior to it, and is an honor to the publisher."—*St. Louis Guardian*.

For the convenience of persons who do not wish to buy a volume at a time, we are issuing an edition in semi-monthly parts, at 25 cents each, thus placing those splendid creations of Irish genius within the reach of even the poorest.

The works of the Brothers Banim are now being republished in Dublin, under the immediate supervision of Michael Banim, the surviving member of the "O'Hara Family," whose "Tales" so long delighted the British and Irish public. It is to be hoped that the American public will hail with satisfaction the opportunity now offered them, for the first time, of obtaining the complete works of John and Michael Banim, who, with the exception of Gerald Griffin, are the best and most thoroughly national novelists whom Ireland has yet produced.

This will be the only complete and uniform edition of Banim's works ever published.

LIBRARY OF IRISH NOVELS.

SADLIERS'

UNIFORM EDITION

OF THE WORKS OF

THE BROTHERS BANIM,

("THE O'HARA FAMILY,")

THE DISTINGUISHED IRISH NOVELISTS.

D. & J. SADLIER & CO. have great pleasure in announcing that they have in press a new and uniform edition of the inimitable works of these distinguished Irish writers, revised, with introduction and notes, etc., by MICHAEL BANIM, Esq., the survivor of the two original writers of the "Tales of the O'Hara Family." The following stories comprise the complete works of the "O'Hara Family:"

THE PEEP O' DAY AND CROHOORE OF THE BILLHOOK.

THE CROPPY.

THE BOYNE WATER.

THE MAYOR OF WINDGAP.

THE BIT O' WRITIN'.

THE DENOUNCED, AND THE LAST BARON OF CRANA.

LORD CLANGORE; OR, THE ANGLO-IRISH.

THE GHOST-HUNTER AND HIS FAMILY.

THE FETCHES, AND PETER OF THE CASTLE.

THE NOWLANS.

FATHER CONNELL, AND OTHER TALES.

THE SMUGGLER.

They are now being re-published in Dublin, under the immediate supervision of Michael Banim, the surviving member of the "O'Hara Family," whose "Tales" so long delighted the British and Irish public. It is to be hoped that the American public will hail with satisfaction the opportunity now offered them for the first time of obtaining the complete works of John and Michael Banim, who, with the exception of Gerald Griffin, are the best and most thoroughly national novelists whom Ireland has yet produced.

The work will be issued in parts, at 25 cents each.

This will be the only complete and uniform edition of Banim's works ever published

The Attention of Canvassers is invited to the following Popular Works Published by us in Numbers.

NEW AND ELEGANT ILLUSTRATED WORKS,

Published with the Approbation of the Late Most Rev. JOHN HUGHES, and the Most Rev. JOHN McCLOSKEY, Archbishop of New York.

THE LIVES AND TIMES OF THE ROMAN PONTIFFS. From St. Peter to Plus IX. Translated from the French of Chevalier D'Artaud de Moutor. Edited by Dr. Neffigan. Published with the approbation of the Most Rev. John McCloskey, Archbishop of New York.

This important work—the only Catholic Lives of the Popes in the English language—is now being published in numbers. The work is stereotyped from new type (cast expressly for the work), printed on the finest quality of paper, and each part is illustrated with a fine steel engraving, engraved expressly for this work. This is got up in a style unsurpassed by any work ever printed in America.

LIFE OF THE BLESSED VIRGIN MARY, MOTHER OF GOD; with the history of the devotion to her, to which is added

THE LIVES OF ST. JOSEPH, ST. JOACHIM, AND ST. ANNE. Translated from the French of Abbe Orsini, by Mrs. J. SADLIER. To be completed in twenty-eight parts, with a fine steel engraving in each.

THE HISTORY OF THE LIFE OF OUR LORD AND SAVIOUR JESUS CHRIST. Also,

THE HISTORY OF THE ACTS OF THE APOSTLES. From the French of Father De Ligney. By Mrs. J. SADLIER. To be completed in twenty-five parts, with a fine steel engraving in each. A new edition of

THE CATHOLIC FAMILY BIBLE; with Notes by Bishop Challoner. To be completed in forty parts, with a fine steel engraving in each. This edition is printed on fine sized and calendered paper, and the type is surrounded by a very handsome engraved border. It is illustrated with forty fine steel engravings, and a very beautiful colored title. This is the cheapest and handsomest edition of the Douay Bible published.

BUTLER'S LIVES OF THE SAINTS. Each part illustrated with a fine steel engraving. This new edition is printed in quarto form, uniform with the "Life of the Blessed Virgin." The letter-press is surrounded by a very elegant engraved border, which adds much to the appearance of the work. Persons who wish to obtain "Butler's Lives of the Saints," as the author left it, must be sure that they get SADLIER'S EDITION. We mention this, because there is an edition, published in numbers, by a Protestant firm in this city, in which the notes, and some of the lives, have been left out. The author's notes in our edition form about one-fifth of the entire work, and it is taking a most unwarrantable liberty with the work to leave them out. Our edition is complete. The notes are the most instructive portion of the work. For instance: there is one note in our edition, "On the Writings of St. John Chrysostom," which occupies TWENTY-THREE PAGES OF SMALL TYPE, and all that is left out of the mutilated edition.

IN PREPARATION.

Marshall's Great Work: the Contrast between Protestant and Catholic Missions.

CHRISTIAN MISSIONS: THEIR AGENTS AND THEIR RESULTS.

By T. W. M. MARSHALL.

MR. MARSHALL, the author of the foregoing work, is an eminent Catholic gentleman of England, formerly a clergyman of the Established Church. As such, he was favorably known as the author of the best work on Episcopacy that has been written by any Protestant. His *History of Missions* is a work of extensive research and profound interest. The subject is one of great importance, including not only Catholic, but Protestant missions; a complete history of which is given as carried on in modern times in China, India, Ceylon, Antipodes, Oceanica, Africa, Levant, Syria, and Armenia, and North and South-America. In treating the latter branch of his subject, namely, Protestant Missions, Mr. Marshall has cited an immense number of Protestant authorities, all concurring to prove with irresistible force the utter impotency of Protestant efforts to Christianize the heathen. The striking contrast exhibited by Catholic missions is clearly and eloquently portrayed. The work is one of the most valuable contributions to Catholic literature that has been given to the press in recent times. Its extensive circulation cannot fail to do great good, and it is therefore respectfully recommended by the American publishers to the patronage of the clergy and laity.

The present is being printed from advanced sheets of the second edition, for which we made arrangements with the author. It has undergone a thorough revision, and over two hundred new authorities have been quoted by the author, making the work as complete as possible.

As the work cost several thousand dollars to get out, the publishers trust that all who feel an interest in the circulation of good books will not only purchase it themselves, but will also induce their friends and neighbors to do likewise.

TERMS.—The work is published in two 8vo volumes, of nearly 700 pages each, cloth extra, \$5; half morocco, \$7.

WE have been honored by commendatory letters from several of our Archbishops and Bishops in relation to this great work. Their opinion of its merits, and the degree of consideration to which it is entitled, will be best understood from their own words:

Messrs. Sadlier & Co.:

ALBANY, March 22, 1864.

DEAR SIRS: I have to thank you very sincerely for the handsome copy which you have sent me of Marshall's "Christian Missions." The work is a most admirable one, fully deserving of all the high encomiums which have already been passed upon it. The important subject of which it treats has never before been discussed in such a thorough and masterly manner. We ought all to feel greatly obliged to you for placing this valuable book within our reach, by the publication of an American edition. It is to be hoped that your enterprise will be rewarded by a liberal and wide-spread patronage.

With best wishes and regards, I remain

Your most obedient servant in Christ,

✠ JOHN, Bishop of Albany,
(Now Archbishop of New-York.)

MISSALE ROMANUM.

MISSALE ROMANUM, EX DECRETO SACROSANCTI CONCILII TRIDENTINI

RESTITUTUM, S. PII QUINTI, PONTIFICIIS MAXIMI, JUSSU

EDITUM—INITIALIBUS LITERIS ET IMAGINIBUS

SPLENDISSIMIS EXORNATUM

VINDOBONO.

The following notice of this Missal was written by a Clergyman, and published in the *Tablet* :

"This edition of the Missal has been published at Vienna, London and Paris, at a considerable expense. It is one of the most splendid works of the present age. The richness of its illustrations, and the beauty of its initials, remind us of the illuminated missals of the mediæval times. In short nothing has been produced equal to it in modern days. Thirty years ago, no person would believe that typography would make such progress as to have a work like this issue from the press. But modern science has conquered all difficulties, and the knowledge of colors has created a revolution in the art of printing. Formerly a rubricated book was looked upon as a wonder. But now the brilliancy of the page equals the hue of the richest painting. We are glad to find that the chromatic art, which has been applied in France to ordinary works, has at length been introduced into devotional works in Germany.

"Messrs. D. & J. Sadlier have procured a number of these Missals from Europe at a considerable expense, which they have bound in a superb manner. If the text of the Missal is a credit to Europe, the binding is an honor to America. Every church, especially in our large cities, should be provided with a copy of this work for the great festivals.

"This edition of the Missal has the approbation of the Cardinals and Archbishops of Vienna, Hungary and Westminster, and contains all the latest Masses."

NEW YORK TABLET

FOR 1868.

The Tablet is admitted by all to be the
BEST AND MOST INDEPENDENT CATHOLIC PAPER IN AMERICA.

The contents of its columns are of the most varied and unexceptional character. The most *careful supervision* is extended even to its advertising columns, which are kept clear of quack-medicine and sensation-paper advertisements, the presence of which unfits journals, otherwise highly respectable, for introduction into the family circle. The best Catholic talent in the country is employed upon its editorial columns.

THE NEW YORK TABLET

CONTAINS A

NEW AND ORIGINAL STORY,

WRITTEN EXPRESSLY FOR ITS COLUMNS BY

MRS. J. SADLIER,

ENTITLED—

MCCARTHY MOR.

A regular corps of European correspondents—in London, Dublin, and Paris—will contribute weekly letters. Also occasional correspondence from all parts of the United States and Canada. Special reports of Religious ceremonies. Latest Catholic Intelligence from all parts of the world.

The Latest European News will appear each Week.

OPINIONS OF THE PRESS.

It is edited with scrupulous and delicate surveillance over every line, so that not one sentence can offend the most fastidious taste, or cause a blush to arise upon the cheek of sensitive womanhood.—*Philadelphia Press.*

It is conducted with talent, industry, and fidelity to its principles.—*N. Y. Tribune.*

At the head of its class.—*Brooklyn Eagle.*

It has had eminent success.—*New York Sun.*

The TABLET has already taken the first rank among the Catholic journals of America, and is not inferior to the best of our secular weeklies in literary elegance and general comprehensiveness.—*Newark (N. J.) Evening Journal.*

The TABLET is ably conducted, and is bold, fearless, and independent in its tone.—*Lou. Guardian.*

It has taken the first rank among the Catholic journals in this country.—*Portland (Me.) Argus.*

The Great Republic produces nothing in the way of journalism superior to the New York TABLET.—*Dublin Nation*

BELLS,

At prices within the reach of every Church, School, Cemetery, Factory, or Farm in the land. The use of our Amalgam Bells throughout the United States and Canadas, for the past thirteen years, has proved them to combine all the valuable qualities, among which are tone, strength, sonorousness, and durability of vibration, unequaled by any others manufactured. Sizes from 75 to 5000 lbs., costing two thirds less than other metal, or 20 cents per pound, at which price we warrant them twelve months. Old Bell Metal taken in exchange or bought for cash. Send for a Circular to the Manufacturers,

MESSRS. DAVIS & TOULMIN:

DEAR SIR: After a trial of two years, our Bell gives unqualified satisfaction. It cannot be for its weight (375 lbs.) surpassed in sound, and has been heard five miles, and in all ordinary weather can be heard three to four miles. I intend recommending the Trustees of a new church to obtain one from you.

ROBERT WILSON, Pastor of Wesleyan Church.

MESSRS. DAVIS & TOULMIN:

GENTLEMEN: The Amalgam Bell purchased from your establishment four or five years ago gives perfect satisfaction, and I cheerfully give it my recommendation.

J. ENDERS, Pastor of Newtown, St. Mary's Co.

MESSRS. DAVIS & TOULMIN:

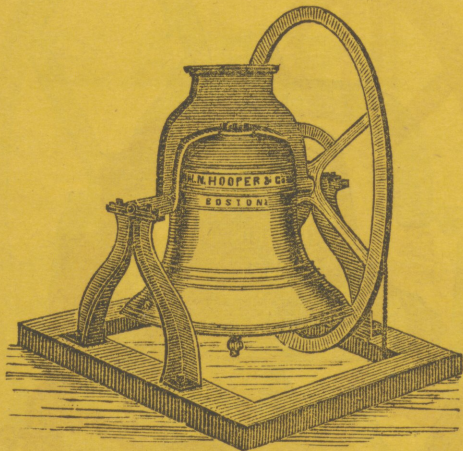

DEAR SIR: We are well pleased with the 750 lb. Bell purchased of J. B. Robinson, in 1863. Its tone is fully as sonorous as at first, and is distinctly heard six miles. Your Amalgam Bells are more generally in use here than any other.

M. N. LUFKIN.

We will also remark that Harrison's Rotating Apparatus is self-acting, and as such is the only one of the kind known in the country.

The Rev. JAMES B. DONELAN, of Burlington, Iowa, to whom we sold a Bell weighing 2400 lbs., advises us, under date of May 21st, 1864: "The Bell is received. *I have sounded it, and all are pleased with its tone.*" And in June he writes: "All who have heard it rung concur in according it the superiority of all the bells in the city; among others, the best musician in the city—a particular friend of mine—was sitting in his parlor at the time, and remarked, on hearing the tone: 'Good! that is Father Donelan's new Bell, I am sure.'"

"I hope Mr. Harrison has received a 'tuning-fork' of the exact tone of his tenor, for I hope we shall yet want seven more of the American Company's Bells."

The Rev. JOHN BROWN, Eagle Harbor, Mich., says: "I have pleasure in saying that the Bell we purchased of you last June, for our church, weighing 675 lbs., affords very great satisfaction to me and to the whole congregation; it can be heard five miles. Also the one I received last week, weighing 1275 lbs., is a superior one. I can not tell the distance it is heard, for we only hung it a few days ago. I would recommend it to all our churches on Lake Superior."

REMITTANCES TO IRELAND.

IRISH EMIGRANT SOCIETY,

Banking House, 51 Chambers Street, New-York.

INCORPORATED APRIL 29, 1844.

The importance of providing a safe channel of remittance to Ireland of the large amount of money forwarded annually by the Irish Emigrant to his friends at home induces this Society to call attention to the purposes of its institution and the advantages and securities it affords. The objects of the Society are :

1st—By the sale of its bills on the Bank of Ireland, and by keeping ample funds there to meet the same, to furnish to the Irish people in this country a safe remittance to their friends in Ireland, thereby protecting them from false, fraudulent, and dubious bills.

2d—To receive moneys from persons having no knowledge of responsible shipping-houses, and to purchase for them passage tickets by steamer or sailing vessel, and to transmit the same to their friends in Ireland, for whom the passages were ordered.

3d—To receive moneys from persons residing out of the City of New-York, and who have no responsible agent here, and to apply such moneys to forwarding into the interior, according to their directions, their friends and families, who may arrive at this port from Ireland.

4th—By and through the official position of the President, (he being by law of the State of New-York a Commissioner of Emigration,) to protect the persons and property of Irish Emigrants.

5th—To aid friendless Irish Emigrants and their children by an application of the surplus earnings of the Society to their relief.

6th—To afford advice, information, and protection to Emigrants from Ireland, and generally to promote their welfare.

WEST TROY BELL FOUNDRY.

(ESTABLISHED IN 1826.)

A CARD.

Purchasers of Bells are hereby informed that the statement which is now being published by a certain Bell Manufacturing Firm, to the effect that "they have received the First Premium every time they have exhibited in competition with the Meneely's Bells,"

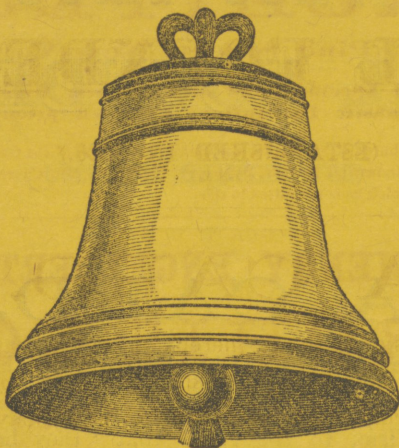

IS UTTERLY FALSE,

both in respect to EVERY or ANY time when such competition has occurred. This unscrupulous falsehood having only first been published since the recent death of the senior member of the Firm in question; and, moreover, action having been deferred upon our part in the hope that the proofs of its falsity which we had privately given to its authors would effect its suppression, we are now compelled—pending the issue of legal proceedings which we have just instituted in the Supreme Court of the State of New-York—to defend the reputation of our Bells in this manner.

NEW-YORK TABLET

FOR 1868.

The Tablet is admitted by all to be the
BEST AND MOST INDEPENDENT CATHOLIC PAPER IN
AMERICA.

The contents of its columns are of the most varied and unexceptional character. The most careful supervision is extended even to its advertising columns, which are kept clear of quack-medicine and sensation-paper advertisements, the presence of which unfits journals, otherwise highly respectable, for introduction into the family circle. The best Catholic talent in the country is employed upon its editorial columns.

THE NEW-YORK TABLET

CONTAINS

A New and Original Story,

WRITTEN EXPRESSLY FOR ITS COLUMNS, BY

MRS. J. SADLIER,

ENTITLED:

MCCARTHY MORE.

A regular corps of European correspondents—in London, Dublin, and Paris—will contribute weekly letters. Also occasional correspondence from all parts of the United States and Canada. Special reports of Religious ceremonies. Latest Catholic Intelligence from all parts of the world.

The Latest European News will appear each Week.

Guardian*.

It has taken the first rank among the Catholic journals in this country.—*Portland (Me.)

DR. RADWAY: I certify that your Ready Relief has cured over One Hundred of our sick of chills, vomiting, headaches, internal pains, etc., etc.

One of our Sisters had the rheumatism in her head for a great many years. Having taken a few teaspoonfuls of Relief in water, and rubbing her head twice with the same medicine, she was perfectly cured, and never felt it since. I always use it for dyspepsia and colds, and always with success. It is very useful for sore throat, coughs, influenza, diphtheria, etc. It has a good effect in flatulence or wind colic. I use it for foul breath, and it produces a marvellous effect. In short, it produces relief altogether remarkable to our invalids.

SISTER MARY DE BONSECOURS.

No. 3. R. R. R. PILLS.

Dr. Radway's Pills.—*Dose.*—For regulating the Liver, Stomach, Bowels, and promoting Digestion, *One Pill at Night.* For Obstinate Diseases and Chronic complaints, four to six every twenty-four hours.

Dr. Radway's Pills are compounded from Vegetable Extracts, coated with sweet gum, and are the best, quickest, and safest Purgative, Aperient, Anti-Bilious and Cathartic Medicine known to Medical Science. One of Dr. Radway's Pills contains more of the active principle of cure, and will act quicker on the Liver, Bowels, Stomach, Kidneys, Bladder, Blood, etc., than four or six of the ordinary common Purgative Cathartic Pills sold under various names, or than ten grains of Blue Mass.

True Comfort for the Aged and others afflicted with Costiveness and Paralysis of the Bowels.—One to three of Radway's Pills once in twenty-four hours, will secure regular evacuations from the bowels. Persons who for twenty years have not enjoyed a natural stool, and have been compelled to use injections, have been cured by a few doses of Radway's Pills.

Indigestion.—In cases where natural evacuations are difficult to secure, and a quick discharge is essential, take six of Radway's Pills and pulverize them; take the pill-powder in water or preserves; in half an hour they will operate. We have known the most distressing pains of Gastritis, Bilious Colic, Inflammation, Congestion, etc., stopped, and the retained irritating humors expelled from the bowels in thirty minutes by this treatment. It is, however, better in chronic cases to take the pills as they are, and let them gradually dissolve in the stomach. These Pills possess in the highest degree cathartic, aperient, tonic, and diaphoretic properties. They do not weaken or debilitate the system or any of its organs, and will leave the bowels regular and healthy. They purify and equalize the circulation of the blood. No congestion or inflammation will occur while the system is under their influence. *Price 25 Cents per Box, or 5 Boxes for One Dollar.*
